**NOTIFICATION OF IFRA STANDARDS NO. 2**

Date July 3, 2002

**36th Amendment to the IFRA Code of Practice**

Dear Colleagues,

This notification contains a communication in line with the procedure described in Information Letter 650 of March 25, 2002 and 651 of March 25, 2002 (available upon request).

Please note the following:

- a) The compliance with the Standards of the IFRA Code of Practice is mandatory for all companies belonging to an IFRA member association.
- b) The Standards below will enter into force
  - on the date of this Notification for new submissions
  - twelve months later for existing compounds.
- c) The Standards below will be published on the website six months after the date of this Notification.
- d) The National Associations are required to circulate this letter without any delay to their member companies.

The 36th amendment comprises the attached revised Standard on

- Bitter orange (peel) oil expressed

as well as new Standards on

- Cinnamyl nitrile
- Methyl eugenol

Please pay attention to the new Standard on methyl eugenol replacing Information Letter 579.

Please note that these are the first examples of IFRA Standards published in the new format. The new format has been chosen to make the Standards user-friendlier by delivering more extensive information. If you have any question please do not hesitate to contact the IFRA secretariat.
